Club Captain Report

Hello to all...Hope all is well....

Hi teams well **last week we saw a Mass Start** and it was played in good weather which saw some good team **nett scores of 57**, so well done to those teams.

Just a note on the mass starts and wrapping up at the end of day. Every time we have a mass start we have members who don't want this and then don't want that etc.this I do understand but at the end of the day it's about getting club members to play with other members instead of their normal 4 every Saturday.

I also understand that all we want to do is play with the people we have fun with and have a haggle as well don't we all? But club mass starts every once and while can do wonders for the CLUB. That's what it is all about.

The time that goes into working out who won what and getting the raffle sorted does take time (*especially when cards are not completed properly etc.*) or the raffle sheet hasn't been filled out, or we are still collecting the takings ...so PLEASE don't hassle the team that is trying their best to sort it out. They are doing their bit for the club and without these hardy souls there wouldn't be a club at the current subs we pay anyway.

So, the odd thanks - team wouldn't go astray and thank those who sort all this out every Saturday / Wednesday / Sunday club / Lady's day / Twilight etc.

Also, if you feel these duties can be speeded up or run in a better way that's great.... bring it on and join one of the match committees ...or put your hands up to help out on the day..... Rant over cheers ...

(Thanks to all the teams for their help)

This week.

30.10.21 - 2nd round of the Top Dog - Good golfing to all. My apologies for including Sausage in the winning team in round 1 (*should of known better lol*) .. it was **Shane Weir** and some other bloke called **BUBBLES / BUMBLE / FUMBLE** or something like that. I got confused as when I asked Shane who his partner was he did say he was some **unforgettable bloke** and it should have been Sausage, so you can understand my confusion...

6.11.21 - Boys trip is on we are heading south (*Thanks Smoothie GREAT JOB AT SHORT NOTICE*)

13.11.21 - FINAL ROUND Top dog

20.11.21 - **THEN THE BIG ONE THE KIWI BUTCHER 2.0** we still need spots filled so spread the word and get hold of Dave Butler please. TXT WITH NAMES AND DETAILSMOB 0276961505

ITS BACKTHE KIWI BUTCHER IS BACK

PLEASE NOTE WE ARE PLAYING THIS ON SATURDAYYES SATURDAY THE 20TH NOVEMBER ...SORRY to all those who feel we are taking the course away from them on a Saturday but we decided this was the best outcome for the club overall. If you need to get in on the Saturday for a game, I think by 2.30 / 3pm you should be all good to go out for a

hit. So sorry for any inconvenience this may have caused. There will be a Starters sheet up at the club house on Wednesday so get in early team. Thank you all. **Thanks, Your Club Captain Lofty.**

Special note: Good golfing to all this week. Sorry I want be there this week (*so Sargent Chop Chop, is the man*). I am taking my great granddad (**SIMMY**) out for the day to Urenui and we are playing in the two day'er this weekend. It's an early tee off for us as great my grandad needs to back at the home by 4pm ...especially this week as it is steak soup nightand he loves his steak soup does (**SIMMY**).

Tuesday Ladies Report

A much better day for golf today although we did have a couple of skiffy showers then the sun came out and it was lovely.

The course was very difficult though with long, wet thick rough and unmown sandy bumpy greens.

Didn't worry **Colleen and Theresa** though as they won their **Top Dog** match and \$5 each

Marie and Marion won their **Top Dog** match and play the final against the weekend girls.

Fiona won 2nd division and **Helen J** 3rd division. A voucher for each of you.

Fiona had a 2 on 3rd and collects \$15 as well as winning the raffle. A good day for her.

Next week is Melbourne Cup day and there will be a sweepstake.

The *starter* is **Helen J**.

We have our **Ladies Xmas Hamper** next Friday 5th November and any raffles will be greatly appreciated. Thank you.

Green Keepers Report – Stratty

The nice warm rain Sunday/Monday was just what the doctor ordered for the greens, but the course in general is very wet and lush and we are struggling to keep up with the growth and the course is a bit messy sorry, when the sun shines and the grass hardens up you will notice a huge improvement in the course presentation!

The greens will get a light dressing of sand in the next couple of weeks weather permitting, **thanks to all volunteers** and especially **Robin and Greg in helping Pop keep up** with the rough prolific growth at the moment.

If you have any further questions please feel free to contact me anytime.

Cheers Stratty

Golfing Tips

The “big Hook.”

The hook shot is a better shot than the slice only because it goes further, therefore using a lower club for the next shot but like the slice it gets us into trouble !! Two points to check :

1. **Direction.** Lay a club down on the ground along your toe line, it should be parallel to the intended ball flight to target line. (the hooked shot the club will be pointing right of target)
2. **The Grip** is the other big fault which develops a Hook. Check that you only see 2 knuckles of the left hand (not 3 or 4 !!) And your 2 ‘ v ’s are pointing between your neck & the right shoulder. (not below your right shoulder !!)

3. In changing your Grip please be patient as it will not feel comfortable for a while.

Ben Hogan used to say that it takes 500 attempts to make a grip change & if in that time the grip feels comfortable “ YOU AIN’T MADE THE CHANGE !! “

4. **Reverse the words right & left for you Lefties.**

Good Luck & Happy Golfing. Your Personal Pro John Garner
